Old Selam Intro Ride for Trail Riders

SEPTEMBER 4, 5 and 6, 2026

Southwest Idaho Trail and Distance Riders invite you to enjoy noncompetitive introductory trail rides Friday, Saturday, and Sunday of Labor Day weekend, concurrent with our competitive endurance rides. Ride at your own pace on our marked trails. Scenic loops take you through this historic mining area on trails ranging in length from 8 to 15 miles (your choice). After vetting your horse with one of our on-site veterinarians, you may leave any time between 9 a.m. and 3 p.m. Join us for the day or camp overnight and enjoy beautiful trails that cross across private, state, and National Forest land.

WEED FREE HAY required. Horse water available in camp and on the trail, with some natural stream crossings. Bring your own potable water.

WHERE: Boise Basin, New Centerville. Ride Camp is approximately 9 miles northwest from Idaho City via Centerville Road. From I-84 in Boise take Hwy 21 NE 36 miles to Idaho City. Turn left (north) onto Montgomery Street. At the end of the street, turn left (west) and continue for 9 miles to New Centerville. Turn right (north) onto Henry's Creek Road and continue approximately one-half mile into camp. (NOTE: Under no circumstances do we recommend traveling up Grimes Creek Road, it is AWFUL!)
