VETERINARY COMMISSION

1. The Veterinary Commission shall have the total control over all matters concerning the participating horses' health safety and welfare and shall apply the FEI Veterinary Regulations.
2. At the compulsory halts, the riders shall cross the Veterinary Gate when they are ready to pass the veterinary inspection. The horses must be presented within 30 minutes to the Commission for inspection and during this period the horse may be inspected more than once if the Commission so decides and time permits, however horse may be presented only twice. The horse that does not pass the pulse and respiratory control tests during the allow period shall be eliminated. A horse may also be eliminated if it shows signs of excessive fatigue, heat stroke, colic, myopathies and severe dehydration or abnormally high temperature (40° C), lameness and serious soreness, lacerations and wounds even if heart and respiratory rates are not excessive. From the moment the rider had asked for the control test which has been successful, the horse shall be kept on timed hold not shorter than the prescribed times mentioned above.
Final Vet. Gate inspection within 30 minutes of arrival – to be presented only once.
3. The Ride Committee in consultation with the Veterinary Commission may decide to modify the length of the timed holds according to weather conditions or other exceptional circumstances and to vary the maximum time for the completion of each phase.
4. As part of the vet checks, riders should lead their horses in a trot when instructed by the Veterinarian. Riders must ensure that as a safety precaution, horses when presented for vet checks preferably are geared with bit and rein.
5. Apart from the pre-ride vet check, there shall be compulsory vet checks at the end of each phase. Should a horse be withdrawn from competition at a vet gate, it must be presented for veterinary inspection within 30 minutes of withdrawal. If withdrawal occurs on course, the horse must be inspected by a member of the veterinarian panel as soon as it is returned to the ride base.
6. **Final Inspection (Art. 830.5)**

The Veterinary Commission (in total three persons) must examine together, in the competition stables, within 2 hours after the finish, all horses which have completed the course and determine whether any of them, for any reason, needs to be immediately administered any invasive medication (prohibited substances, injections and parenteral fluids). If such treatment is necessary for the horse's welfare and safety within the two (2) hours, **these horses must be eliminated and the classification adjusted accordingly.**
7. **Treatment for horses**

Fees for any treatment provided will be at the expenses of owners and competitors.

VETERINARY REGULATIONS, 10TH EDITION

1. Veterinary Examinations, Inspections and Passport Controls

These will be carried out in accordance with Vet. Reg. Art. 1011; Rules for Endurance Riding Events Art. 829 & 830.

General Regulations 21st Edition, revision effective 1st Jun 2006 will apply :

In accordance with Art. 139.1

Every horse entered for any competition at CNs or CIMs (see Appendix D) in a foreign country (see GRs 141.2), and all horses entered for other CIs, CIOs, Championships, Regional and Olympic Games, whether at home or in foreign countries (see GRs 141.2), must have an official, valid FEI

Passport, or a National Passport approved by the FEI accompanied by an FEI recognition Card, as a means of identification and to establish ownership.

In accordance with Art. 139.2

Horses taking part in CNs and CIMs (see Appendix D) in their own country are not required to have such passport as is mentioned in paragraph 1. All such horses must be properly registered and identifiable and, unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin, all horses must have a valid vaccination certificate.

2. Equine Influenza Vaccination, Vet. Regs. Annex VI

The FEI requires all horses competing in FEI competition to provide evidence of sufficient vaccination against equine influenza. This involves regular six monthly booster vaccinations following a primary vaccination course, as from January 2005. All horses and ponies for which an FEI passport or a National Passport approved by the FEI has been issued must have the vaccination section completed and endorsed by a veterinarian, stating that it has received two injections for primary vaccination against equine influenza, given between 1 and 3 months apart. In addition, a booster vaccination must be administered within each succeeding 6 months (+ - 14 days) following the second vaccination of the primary course. None of these injection must have been given within the preceding 7 days including the day of the competition or of entry into the competition stables.

The above are the minimum requirements for influenza vaccination. The primary course and subsequent booster vaccinations should be given according to the manufacturer's instruction that will fall within the stipulation of the FEI ruling.

3. Sampling for Prohibited Substances, Vet. Regs. Chap V & VI and Annex III

The objective is to protect the integrity of equestrian sports through controlling the use of substances capable of giving a horse an advantages or disadvantage in an event, contrary to its natural abilities. Special guidelines are applicable for events covered by the FEI's Medication Control Program (MCP). All other international event horses are subject to compulsory sampling for Prohibited Substances. The Sampling Procedure and instructions for collecting samples, as contained in the sampling kit, have been carefully drawn up so that all concerned appreciate their roles and understand the procedures involved. All aspects must be strictly followed.

Additional requirement – All horses taking part in the event is subject to veterinary examination for **Strangle**. Health certificate issued by Government Veterinarian as a proof that horse has passed veterinary examination must be presented to the Organizing Committee secretariat.

THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSES

The Federation Equestre International (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that all times the welfare of the horses must be paramount and must never be subordinated to competitive or commercial influences.

- i. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
- ii. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
- iii. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
- iv. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.

The FEI urges all those involved in equestrian sport to attain the highest possible levels of education in their areas of expertise relevant to the care and management of the competition horse.

This Code of Conduct for the Welfare of the Horse may be modified from time to time and the views of all are welcomed. Particular attention will be paid to new research findings and the FEI encourages further funding and support for welfare studies.

DRESS CODE

In accordance with the FEI Rules the riders shall use protective headgear of equestrian / endurance standard. Dress must be appropriate and not detrimental to the image of Endurance Riding. It is strongly recommended at all Endurance competitions to wear the following dress:-

- i. breeches or jodhpurs or riding tights,
