at the heart of horse sport

Consolidation
operation
reaction

Consolidation:

Reviewing, updating and retaining that which supports and encourages fair, equal and safe competition across all levels of Endurance Sport.

Cooperation:

Working together to create a competition structure that provides opportunities for all to develop and strive for excellence within Endurance.

Creation:

Establishing a future that truly reflects a safe competition environment, encourages good horsemanship and rewards team work and skill.

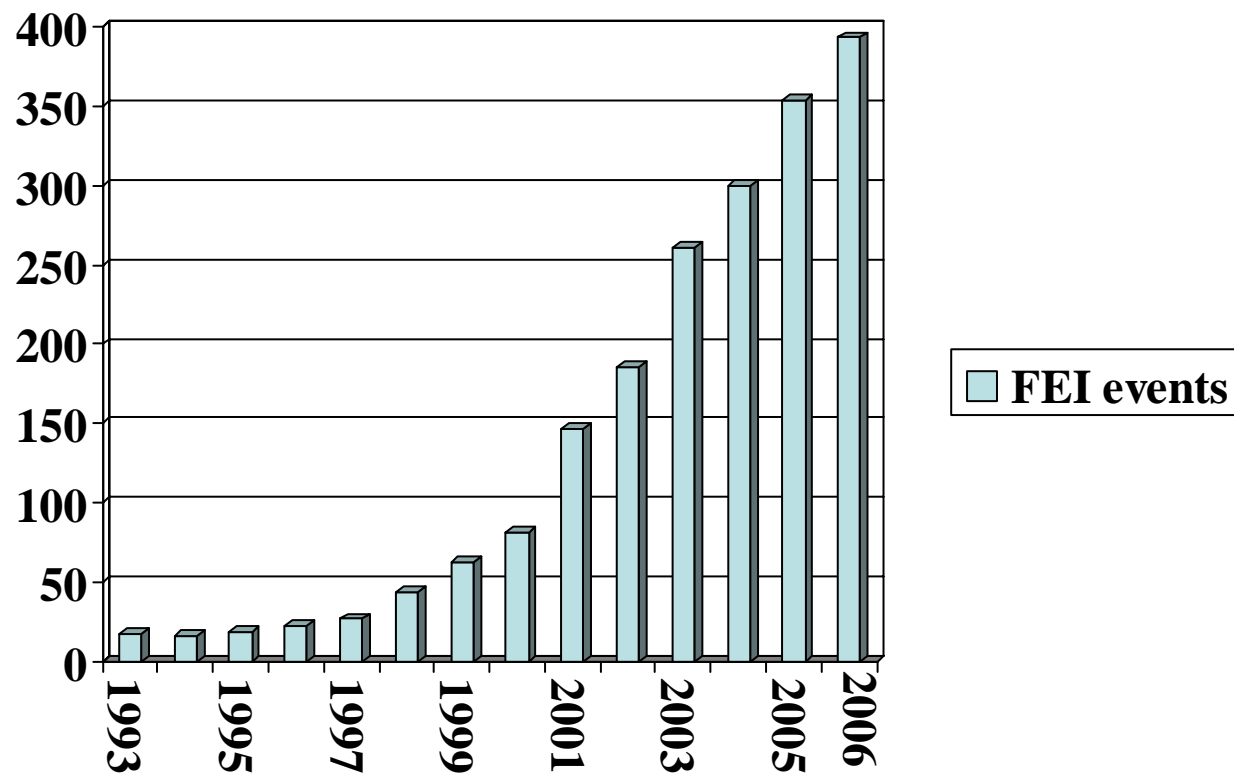

Timetable:

And why.....

C onsolidation ooperation reation

‘A star who does not seek reward, recognition or recompense, but whose trust is unquestioning and without whom we would be lesser as human beings. The horse’.
