rivers, mountains, canyons, bandits, lizards  
and snakes...**

**are you tough?**

## **April 18, Oreana Idaho**

Early Spring ride in the Owyhee desert. Could be nasty. All holds in camp.

Potluck with awards after ride. (if you're lucky)

25, 50 Mile Rides. Trail Riders welcome, but watch your back-side.

Rock, sand, ridge top, creek crossings, expect anything. Too cold for snakes.
